To: Commissioner For Patents

Applicants, respectfully ask the Commissioner Of Patents, to grant applicants, to revive an unavoidable abandoned published patent application. And,

Pursuant To: ACTION BY APPLICANT AND FURTHER CONSIDERATION

Pursuant To: **Section 1.111 Reply by applicant or patent owner to a non-final Office action.**

(a)(1) If the Office action after the first examination (1.104) is adverse in any respect, the applicant or patent owner, if he or she persist in his or her application for a patent or reexamination or further examination, with or without amendment.

Applicant patent owners respectfully request further examination pursuant to (Rule section 1.111(a)(1)) with amendments and omissions to a Office action presented to the applicants from the examiner to the Proposed Claims and non-final Office action. Dated 10 January 2002 and the Interview Summary dated 15 August where an agreement with respect to the claims was

Page (1)
reached. And also a Office communication concerning this application or proceeding. Dated 10/21/2003 that presented to the applicants a format of Proposed Claims for the applicants to use to omit or amend.

(2) *Supplemental replies.* (i) a reply that is supplemental to a reply that is in compliance with *section 1.111(b)* will not be entered as a matter of right except as provided in paragraph (a)(2) (ii) of this section. The Office may enter a supplemental reply if the supplemental reply is clearly limited to:

(B) Adoption of the examiner suggestion(s); Patent owner applicants do adopt examiner suggestions that provided the proper format that complies to the omitted and amended claim(s) ask for by the examiner in the Proposed Claims.

(C) Placement of the application for allowance; applicants will comply to the examiner suggestions that will allow placement of the application in condition for allowance (A fuller description, and a copy of the amendments which the examiner agreed would render the claims allowable, that are attached.)

Pursuant To: **Section 1.114 Request for Continued examination.**

(a) If prosecution in an application is closed, an applicant may request continued examination or the application by filing a submission and the fee set forth in *section 1.17(e)* prior to the earliest of :

(2) Abandonment of the application;
Applicants respectfully request a continued examination to revive an abandonment of applicants application.
or (c) A submission as used in this section includes, but is not limited to, an information disclosure statement, an amendment to the written description, claims, or drawings, new arguments, or new evidence in support of patentability. If an Office action under 35U.S.C. 132 is outstanding, the submission must meet the reply requirements of *section 1.111*.

Applicant respectfully request a continued examination to revive an unavoidable abandonment of the applicants application with an information disclosure statement,

Information disclosure statement

(a) Statement by John D. Taylor,
Due to circumstances beyond my control, for the past four years, I have been in and out of the doctors offices with very high blood pressure and at often times symptoms of a stroke. I have had bypass heart surgery in 1993 . I still have angina attacks. I am (65 years old) and am on a disability pension, and it is been hard to acquire the funds to necessary to meet my obligations at times. But applicants believe that, they have at all times, paid their patent fees. It has been up to me to write these amendments and submissions, because my son Steve is not versed, in any way, to be able to attempt to write, because of his eye site, he has a reading and writing problem.

For the last several months, my health has been much better, and I feel, that if I am permitted to proceed, I can now keep up with the patent requirements. (JDT)

(b)Amendments to the written description, claims, or drawings, new arguments, or new evidence in support of patentability. (That are disclosed in in applicants Proposed Claims . That is a attached petition of a Action By Applicant For Further Consideration to revive an abandoned patent, having new arguments or evidence in support, and amendments in support of claims, to revive applicants abandoned published patent 09/973,626.) Pursuant to: Sections(1.111)(1.114)(1.115)and (1.17(e)(1).

AMENDMENTS

Section 1.115 Preliminary amendments
Pursuant To: (a)(1)

A preliminary amendment that is present on the filing date of an application is part of the original disclosure of the application.

Page (2)

Applicants present preliminary amendments that are present on the filing date of their application that is part of the original disclosure of the applicants application. Claims that are attached in the Proposed Claims which is currently disclosed (and original disclosed.)

Pursuant To:1.17 Patent Application and reexamination Proceeding fees.

Section 1.17 (e) (1)
for applicants filing a petition for the revival of an unavoidably abandoned application under U.S.C. 111, 133 Fee Transmittal (1.17 (e)(1) Small entity fee \$260.00). Small entity, (Fee Code 240, petition to revive unavoidable abandonment \$55.00) a total processing fee of \$315.00 for the present, attached to this petition.

Interview Summary

In the Interview Summary 15 August 2003 applicants presented the specific method process of the disclosed invention and the claims. Applicants presented to the examiners Specific relationship of the disclosed features and method process discussed by the applicants with the examiners (Edwyn Labaze and Mr. Karl Frech) by telephone interview. Agreement with respect to the claims was reached,

As per the applicants request, I, examiner (Edwyn Labaze along with Mr. Karl Frech, agreed to provide a formal claims format), to the applicant's claimed Invention.

Applicants have presented, this their Amendments in the Proposed Claims format Provided by the examiners. (attached document Amendments)

Taylor Corp: Pre Paid Cash Cards Unlimited
Inventors: John D. & Steve K. Taylor

Proposed Claims

Amendments which represents, that which is currently disclosed (and originally) disclosed

What I (we) claim is:

[01]

1. A method of payment utilizing a magnetic strip cash card comprising:
a.) (I) purchasing a pre paid cash card containing monetary value and defining elements of the method of operation of buying or purchasing a pre paid cash card with monetary value with cash money. From a outlet markets, over the counter or existing commercial financial institutions. Money stored in a cash card.

[02]

(II) a method of purchasing a cash card containing monetary value consisting of a variety of small, medium or large cash cards, of monetary valued sized pre paid cash cards. The present invention is a pre paid cash card purchased by all the public, with money, cash stored in a card. A variety of monetary valued cash cards (\$50.00 to \$1000.00). Purchaser can purchase as many cash cards as they need. Pre paid cash cards are a hand wallet size card that has assorted colors for assorted monetary values, a number code for tracking, utilizing a magnetic strip and a bar code to be scanned upon sale at the point of activation for monetary value.

[03]

(III) a method and defining elements that teaches of that which is currently and originally disclosed in the original disclosure defined in the following manner:

Taylor Corp Pre Paid Cash Cards are pre paid cash cards for sale to all the public as

Page 1.
defined in copyright picture and text of the defining elements on page 130 in text and picture describing as follows;

Pre Paid Cash Cards, who needs it? Everybody does, sooner or later. Purchase a pre paid cash card today, use it up and throw it away, then buy another pre paid cash card or reload if you wish. A safe way to carry cash in a card, next to cash its the best way to go, "Bar None".

[04]

b.) (I)(a)presenting said cash card for payment at an existing monetary transaction terminal to spend the card as cash or receiving cash, by the purchaser or legal cash card holder, up to the monetary value in the cash card.

As many ways as you can spend money is as many ways as you can spend a Taylor pre paid cash card by utilizing a magnetic strip at an existing monetary transaction terminal. Pre paid cash cards monetary value are worth the amount paid by the purchaser, less a small user fee.

[05]

(I)(b) A method of payment utilizing a printed 20-digit number, having a PIN number, on a pre paid cash card, utilized in presenting the cash card for payment at an existing monetary transaction terminal on the internet, up to cash cards monetary value.

[06]

(II) presenting said cash cards for payment, money stored in a card, at an existing transaction terminal, to be spent as cash or receive cash from a card, by the purchaser or the legal card holder, utilizing a magnetic strip on a card, an existing monetary transaction terminal. Cards are Taylor pre paid cash cards unlimited, pre paid currency cards, pre paid money cards, pre paid funds cards, pre paid bucks cards and pre paid cash cards are the product and invention created by Taylor's Pre Paid Cash Cards Unlimited. Registered and originally

disclosed in applicants application
09/973,626 art unit 2876 found on page 107
& 130, assorted monetary cash cards and
text in the registered copyright picture.

[07]

c.) receiving a receipt and a cash card balance information at the completion of a transaction by presenting a pre paid cash card with monetary stored value at an existing transaction terminal, utilizing a magnetic strip to verify the remaining monetary stored value by giving a balance receipt at the completion of the transaction.

[08]

[036]

n.) a cash card comprising: a Taylor

pre paid cash card and/or cards: the first original registered copyright certificate, picture, text and materials used in the creation of pre paid cash cards, pre paid money cards, pre paid currency cards, pre paid funds cards and pre paid bucks cards. Belonging exclusively to the authors, owners and inventors; John D. Taylor and Steve K. Taylor.

[037]

o.) **35 U.S.C. 100 Definitions.** (a) The term "invention" invention or discovery-(b) the term "process" means process, art, or method and includes a new use of a known process, machine, manufacture, composition of matter, or material.

Pursuant To: (35 U.S.C. 100 Definitions) Applicants have invented and discovered a new method process and composition of matter or material that is a new and useful improvement of a known process of manufacturing a card, to sale for cash, that in turn can be utilized to receive cash from a card or to use for payment as cash from a card having stored monetary value. Being a Taylor pre paid cash cards.

[038]

p.) **35 U.S.C. 101 Inventions Patentable**, Whoever invents or discovers any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement thereof, may obtain a patent therefore, subject to the conditions and requirements of this title.

Pursuant To; (35 U.S.C. 101 Inventions Patentable), Applicants have invented and discovered a new and useful process and improvement thereof, a composition of matter, materials and useful process to create and manufacture the Taylor pre paid cash cards.

[039]

q.) Applicants has best presented amendments to the Proposed Claims, which is currently(and originally) disclosed and defining elements added to the claims that may also help to positively set forth the current invention.

Prayer

Pursuant To: (35 U.S.C. 100) and (35 U.S.C. 101) of this Amended Proposed Claims Patent petition of applicants.

Applicants respectfully ask the examiner And Commissioner For Patents:

Pursuant To: 1.111, of a non-final Office action and,

Pursuant To: 1.114, a request for continued reexamination to revive a unavoidable abandonment of applicants published Patent 09/973,626 and,

Pursuant To: 1.115 (a)(1)Preliminary amendments , present at the filing date, is part of the original of the application.

Pursuant To: 1.117 (e) (1)
reexamination proceeding fees

Applicants respectfully ask the Commissioner For Patents and examiners accept applicants Proposed Claims, and Action By Applicants and Further Consideration and request for a continued examination to revive a unavoidable abandonment of applicants published Patent, that may positively set forth the current invention to be Granted.

Respectfully Submitted

New Copyright Text To Modify And Add Changes By Amended (Text)
Amendments to register as new(Text)
which represents, that which is currently disclosed (and originally) disclosed in the authors, John & Steve Taylor's original registered Copyright Certificate Of Registration. Effective date of registration March,27,2000 FORM PA 1-823-882.

What I (we) claim is:

In the beginning, the Authors, John D. & Steve K. Taylor, conceived, created a fixed "literary work" text , a new and original concept, of elements of expression, of the subject matter, to create Pre Paid Cash Cards.(To sale a card for cash to the public, to be spent as cash at an existing monetary transaction terminal.)

[01]

1. A "copyrighted work" that is literarily fixed, of the subject matter and elements of expression used in creating a cash card for payment utilizing a magnetic strip. A cash card comprising:

a.) (I) purchasing a pre paid cash card containing monetary value and defining elements of operation of buying or purchasing a pre paid cash card with monetary value with cash money. From a outlet markets, over the counter or existing commercial financial institutions. Money stored in a cash card.

[02]

(II) a text comprising: of purchasing a cash card containing monetary value in/on consisting of a variety of small, medium or large cash cards, of monetary valued sized pre paid cash cards. The text subject matter

Page 1.

is a pre paid cash card purchased by all the public, with money, cash stored in a card. A variety of monetary valued cash cards (\$50.00 to \$1000.00or more). Purchaser can purchase as many cash cards as they need. Pre paid cash cards are a hand wallet size card that has assorted colors for assorted monetary values, a number code for tracking, utilizing a magnetic strip and a bar code to be scanned upon sale at the point of activation for monetary value.

[03]

(III) text defining elements of expression that teaches of that which is currently and originally disclosed in the original disclosure defined in the following manner:

Taylor's Pre Paid Cash Cards are pre paid cash cards for sale to all the public as defined in copyright picture and text of the defining elements in the picture and text picture describing as follows;

Pre Paid Cash Cards, who needs it? Everybody does, sooner or later. Purchase a pre paid cash card today, use it up and throw it away, then buy another pre paid cash card or reload if you wish. A safe way to carry cash in a card, next to cash its the best way to go, "Bar None".

[04]

b.) (I)(a)presenting said cash card for payment at an existing monetary transaction terminal to spend the card as cash or receiving cash, by the purchaser or legal cash card holder, up to the monetary value in the cash card.

As many ways as you can spend money is as many ways as you can spend a Taylor pre paid cash card by utilizing a magnetic strip at an existing monetary transaction terminal. Pre paid cash cards monetary value are worth the amount paid by the purchaser, less a small user fee.

[05]

(I)(b) A text comprising: of a cash card payment utilizing a printed 20-digit number,
